

EDUCATIONAL FIELD TRIPS • YOUTH EDUCATION PROGRAM & FIELD TRIP PLANNER 2011
OVERNIGHT ADVENTURE • PERFORMANCE GROUPS

GET VERTICAL ON SHUTTLE
LAUNCH EXPERIENCE AND
MAKE YOUR FIELD TRIP
OUT-OF-THIS WORLD.

Kennedy Space Center Visitor Complex™ provides you with exciting field-trip experiences designed to inspire students and to enlighten inquisitive minds.

Special rates allow students to tour KSC, meet a real astronaut, see larger-than-life IMAX® films and witness exciting space exploration exhibits, interactive shows and briefings. Students gain a greater appreciation of NASA and leave encouraged to reach for the stars in their future careers.

Kennedy Space Center field trips meet Florida Sunshine State Standards, FCAT requirements and national science standards.

Educator's Activity Guides have been created to meet these standards for kindergarten-2nd grade, 3rd-5th grade, 6th-8th grade and 9th-12th grade. The guides contain dynamic classroom-ready pre-trip, on-site and post-trip materials designed to promote cooperative learning, problem solving and guided research.

STUDENT ATX - ASTRONAUT TRAINING EXPERIENCE

Student ATX immerses your students in the world of today's astronauts as they experience a mission simulation and hands-on space activities. At the U.S. Astronaut Hall of Fame®, students engage in space exploration briefings, hands-on training, motion-based simulators and a full-scale space shuttle mission simulation, all designed to prepare your students for the rigors of spaceflight.

DATES:

Call for 2011 times and availability

TUITION:

\$45.00* (plus tax) per student

\$21.00* (plus tax) Nonparticipant chaperone, which includes admission to the U.S. Astronaut Hall of Fame®.

*All rates subject to change.

IMPORTANT GROUP INFORMATION

FIELD TRIP INFORMATION

Youth rate requirements: A group minimum of 15 youths is required to qualify for our special youth rate. No walk-up groups will be admitted at the youth rate - a ONE WEEK advance reservation is required. Prepayment is preferred. Ask about shipping options for your tickets. Only Florida tax-exempt certificates can be accepted and must be faxed at the time of reservation.

Chaperones and youth must remain together during the entire field trip experience, regardless of age. Because of this requirement, special youth rates and complimentary admission are offered to chaperones based on the ratios outlined below. Additional adults must pay the regular admission rate.

EDUCATOR RESOURCE CENTER

For additional resources and programs,

contact or visit the NASA Educator Resource Center (ERC) located at Kennedy Space Center Visitor Complex™. The ERC provides expertise and facilities to help educators access and utilize science, mathematics and technology instructional products. These products are based on NASA's unique mission and are aligned with national and state standards. The educational resources available include videos, slides, lesson plans, publications, and lunar and meteorite samples. Call 321.867.4090 for more information.

KENNEDY SPACE CENTER CHAPERONE POLICY

- + One chaperone discount for every five students grades K-5.
- + One chaperone discount for every 10 students grades 6-12.
- + For every 30 students, one chaperone receives complimentary admission.
- + Students must be supervised at all times.

CAMP OUT BENEATH THE WORLD'S LARGEST ROCKET!

Bring your sleeping bags and dream under the gigantic Saturn V moon rocket. Learn about the past, present and future of space exploration. Meet and talk with an astronaut, perform a hands-on, minds-on Team Engineering Challenge, enjoy a private screening of an IMAX® 3D film and learn the details of NASA's future missions - all led by our Overnight Adventure instructors. Program includes dinner, midnight snack and continental breakfast. This program is designed for school, scout and youth groups entering 2nd-9th grade. Minimum group size is 10. Activities within this program meet many Florida Sunshine State Standards as well as national standards.

Space is limited! Reserve soon for an Overnight Adventure.

SALUTE TO SCIENCE

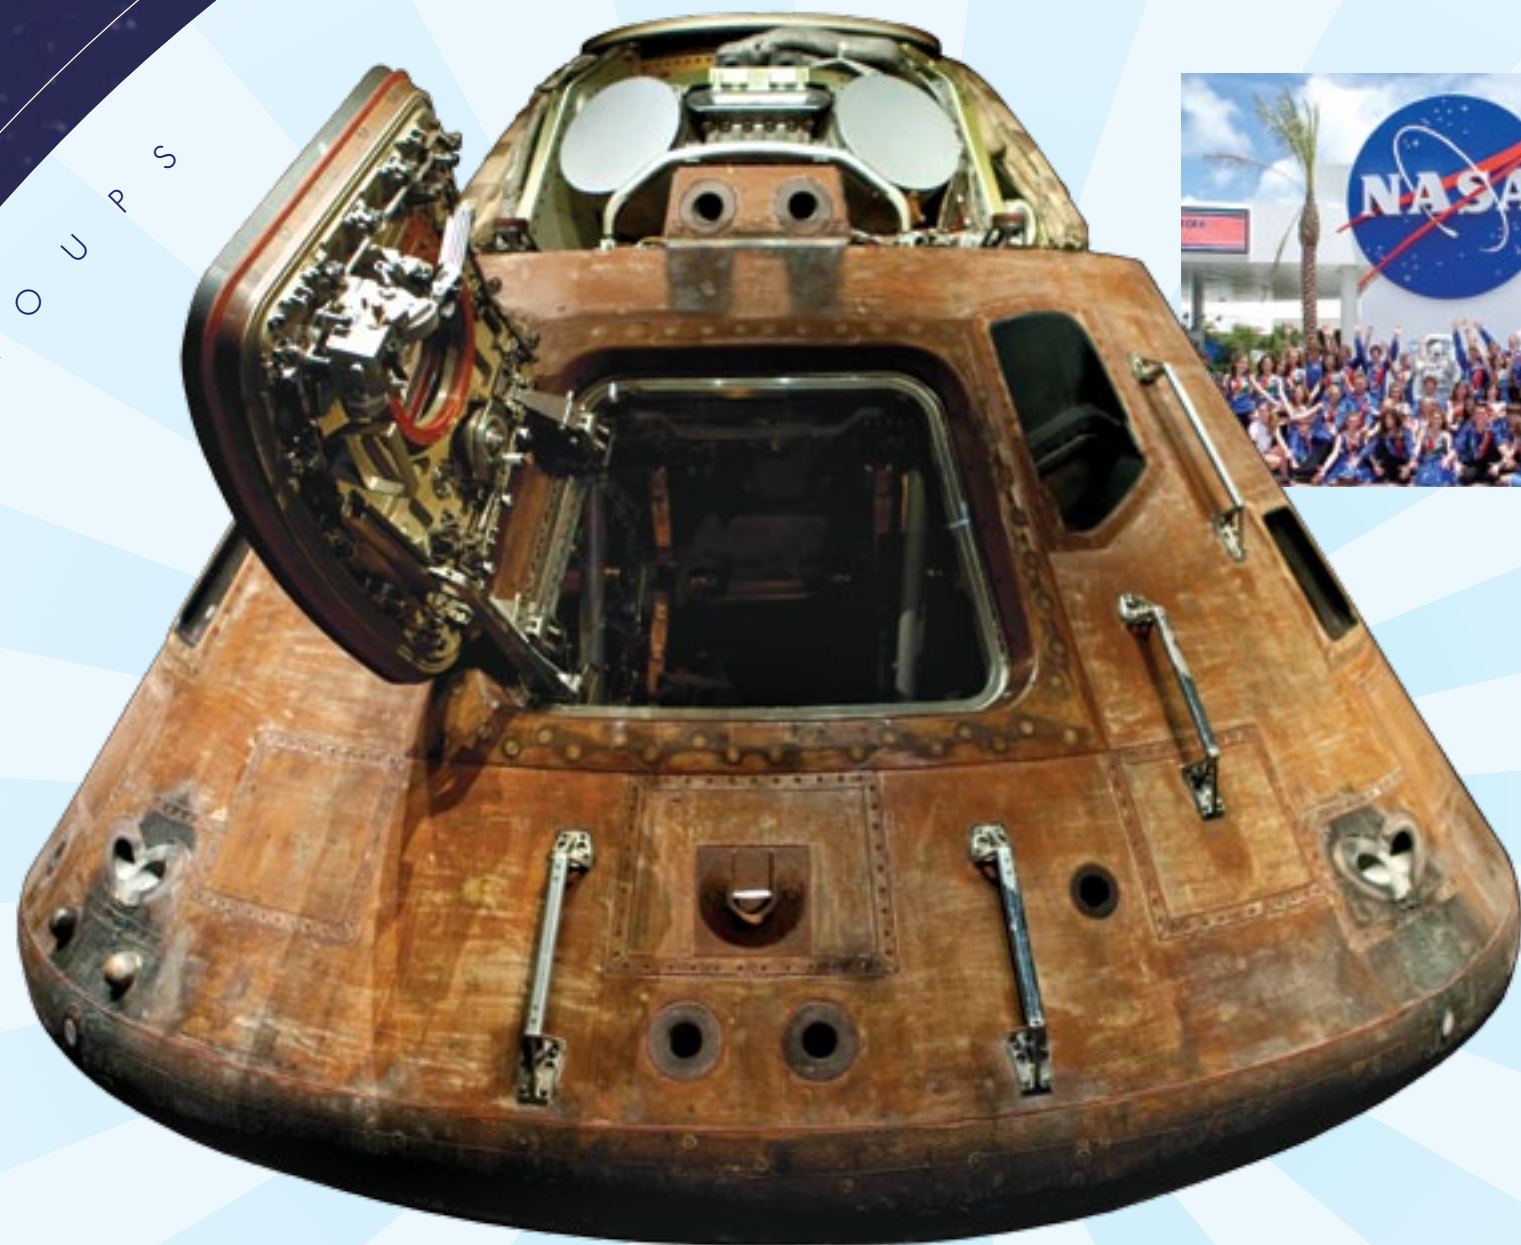

Attend a private, interactive briefing to learn about important science concepts relating to space exploration. Science students will enjoy a private meeting with an astronaut and engage in a hands-on, minds-on Team Engineering Challenge. The admission ticket includes special activities, lunch, IMAX® films, the KSC Tour, Shuttle Launch Experience, all shows and exhibits. Perfect for groups of 100 or more.

SALUTE TO HOMESCHOOLERS

Attend a private, interactive briefing about the latest NASA accomplishments and meet an astronaut with a special message to homeschool teachers and students. Salute activities include a family hands-on, minds-on Team Engineering Challenge. The admission ticket features lunch, IMAX® films, the KSC Tour, Shuttle Launch Experience, all shows, exhibits and more. Homeschool teachers can also pick up a packet of NASA education materials to help students reach for the stars.

To make a reservation or for more information about this program, please call **(866) 870-8026** or visit our website www.KennedySpaceCenter.com/youth-education.aspx.

LAUNCH INTO AN OUT-OF-THIS-WORLD PERFORMANCE

Bands and choir groups have the opportunity to perform at unique Kennedy Space Center locations. Program includes the KSC Tour, IMAX® films and fascinating space exploration exhibits. Meal discounts, souvenir options and banquet/reception packages are available. Please call for availability.

To download form, visit
www.KennedySpaceCenter.com/performing-groups.aspx.

EDUCATOR STUDY PASS

The Educator Study Pass offers Florida and Georgia K-12 educators a complimentary admission ticket (not valid on shuttle launch days) with year-round access to the Visitor Complex and KSC's Educator Resource Center (ERC). Teachers will discover helpful tips for field trips, learn about new education programs and discover interesting facts to integrate into their science, math and space exploration curriculum. Educators can call 321.867.4090 prior to visiting for more details about ERC.

To be eligible for an Educator Study Pass, educators must possess a valid Florida or Georgia teacher certificate and must be currently employed at an accredited school as a full-time K-12 classroom educator. Please present the following when you arrive at the Visitor Complex Ticket Plaza:

- + A valid Florida or Georgia teaching certificate.
- + A photo ID.

SALUTE TO THE SCOUTS

Attend a private, interactive briefing about NASA's latest missions and meet an astronaut with a special message to scouts. Meets specific Boy/Girl Scout merit badge requirements. Participants earn a commemorative KSC patch. Program features a hands-on, minds-on Team Engineering Challenge. The admission ticket includes activities, IMAX® films, the KSC Tour, Shuttle Launch Experience, and all shows and exhibits.

SALUTE TO BOY SCOUTS

DATES:
February 19, 2011, and March 5, 2011

SALUTE TO GIRL SCOUTS

DATE:
March 19, 2011

TIME:
Check-in begins at 8:30 am.
Program runs throughout the day. Scout ticket includes two-day admission (within a seven-day period) to KSC Visitor Complex and the U.S. Astronaut Hall of Fame®.

TUITION: Visit
www.KennedySpaceCenter.com/salute-to-scouts.aspx.

YOUTH EDUCATION PROGRAM & FIELD TRIP PLANNER 2011

CAMP KENNEDY SPACE CENTER®

Spring and summer sessions available.
Visit KennedySpaceCenter.com for dates.

LUNCH WITH AN ASTRONAUT

Lunch can be much more than just another meal! It's a great opportunity to inspire your group with the once-in-a-lifetime thrill of having lunch with a veteran astronaut. Hear stories about space exploration adventures firsthand from someone who has launched into orbit.

NEED A LITTLE MORE FLEXIBILITY?

Special students lunches are available to your groups at other prescheduled times. Select from chicken strips, pizza, hot dogs or hamburgers. Assorted soft drinks, potato chips and a special treat accompany each meal. Meal vouchers are also available.

Enrich today's youth with the inspiring stories of NASA. Take your students' imaginations to new heights with a trip to Kennedy Space Center Visitor Complex. Many programs, including Field Trips, Overnight Adventures and Student ATX[®], combine unique educational value with out-of-this-world adventure. Kids can strap into Shuttle Launch Experience and even meet a veteran astronaut.

To make a reservation or for more information about this program, please call (866) 870-8026 or visit our website www.KennedySpaceCenter.com/youth-education.aspx.
